

Journal of Animal and Food Sciences (JAFS)

Author Declaration

The authors shall complete this form and upload the scanned copy during submission of manuscript.

Manuscript Title:

.....

Name of Corresponding Author:

Email Address of Corresponding Author:

Originality and Authorship

- I/We confirm that the submitted manuscript is original, has not been published previously, and is not under consideration for publication by any other scientific journal.
- I/We declare that the manuscript does not include any data, results, or content that duplicates previously published work, either from our research or from other sources.
- I/We attest that all authors have made substantial scientific contributions to the study and manuscript preparation and revision, and all authors approve the final version for submission

Exclusive Submission

- I/We agree that this manuscript will not be submitted for publication in any other journal until a final decision is received from the Journal of Animal and Food Sciences (JAFS) following the peer-review process.

Potential conflict of interest disclosure

- I/We declare that there are no financial, personal, or professional conflicts of interest related to this research or publication. If any conflicts exist, they are disclosed in the manuscript.

Ethics Approval

- I/We declare that I/we conform to the publication and research ethics.

Author Contributions

Please specify the contributions of each author as per the CRediT taxonomy using their initials (e.g., X.Y.Z. Silva – XYZS).

- Conceptualization :
- Methodology :
- Software :
- Validation :
- Formal Analysis :
- Investigation :
- Resources :
- Data Curation :
- Visualization :
- Supervision :
- Project Administration :
- Funding Acquisition :
- Writing – Original Draft :
- Writing- Review & Editing :
- Others (please specify) :

Statement of Ethics Approval:

Include a clear statement confirming ethical approval, the name of the approving ethics committee, and the committee's reference number, if applicable. If your manuscript does not involve human data, animal data, human tissue, or plant studies requiring ethical approval, please indicate "Not applicable". For further guidance, please refer to the *Author Guidelines* of Journal of Animal and Food Sciences (JAFS).
